

## #DECENCYLEDGE2020

All children need role models. As future leaders, we have an obligation to uphold DECENCY, setting the right example for generations to come.

As representatives of [school/community group] in 2020,  
we, \_\_\_\_\_, pledge to the members of  
[town/city/district/state of \_\_\_\_\_]  
that, we will pursue:

**A**ctive Listening - Encourage tolerance and respect for the individual differences and points of view that exist in our community and make our democracy stronger;

**B**etter Communication - Engage in civil discourse throughout the year, refraining from personal attacks and conveying the importance of these standards to everyone we meet;

**C**ompassion - Personify DECENCY, setting an example for our classmates, neighbors, local businesses and affiliates, and striving to represent in spirit and conduct what is best about our community.
